

## MF Trader Guide for Download and Installation

---

1. Browse [www.mgf.com.hk](http://www.mgf.com.hk) by using ( IE/Chrome/Fire Fox/360 ) etc.
2. Select Windows on the Main page and download the application

3. Select and install the exe file after downloading ( as below )

4. You will see **MF Trader** logo on the Desktop · Enter to the login page

5. Enter your Login ID and Password · Select the language you want and select the correct server

The image shows a screenshot of the MGF Trader login window. The window title is "MGF Trader". On the left side, there is a large version of the MF Trader logo. On the right side, there are several input fields and checkboxes. The "用戶名" (Username) field contains "SAMPLE" and has a checked checkbox for "記住用戶" (Remember user). The "密碼" (Password) field is masked with dots and has a checked checkbox for "記住密碼" (Remember password). Below these are three dropdown menus: "語言" (Language) set to "繁體中文" (Traditional Chinese), "服務器" (Server) set to "真審賬號" (Real account), and "連接" (Connection) set to "交易伺服器" (Trading server). At the bottom of the window, there are two buttons: "登錄" (Login) and "退出" (Exit).
